Messages to SORBS:

Do **NOT** send support requests to Michelle Sullivan unless they concern a SORBS website failure or error. Sending support messages to Michelle Sullivan will be ignored.

Support requests should be made through the [SORBS Support System](#).

Using the ISP Support mail alias infers you are an ISP, each ISP should have an ASN, if you do not submit your ASN in the message it will be deleted automatically.

Submitting Support requests to the Transfer request alias will ensure you do not get a reply.

Please help us assist you by submitting your support request via the [SORBS Support System](#) the questions are designed to help speed up how long it takes to deal with your request.
